

# ✿ AIR 2008 ✿

**The Around Ireland Rally**  
**Sat 30th August - Sun 7th September**

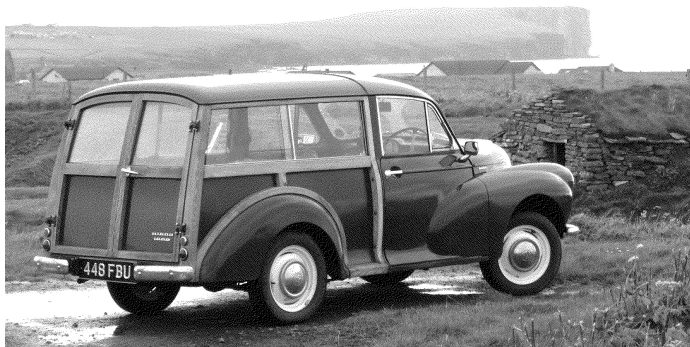

We will sail over from Holyhead to Dublin on the 30th of August 2008, travel clockwise around the whole island over the course of a week, attend the Kilbroney Show at Rostrevor, and sail back from Dun Laoghaire on Sunday the 7th of September. Some of the places we plan to visit along the way include: Kilkenny, Blarney, Cork, Mizen Head, the Dingle Peninsula, the Burren, the Cliffs of Moher, Galway, Donegal, Malin Head, the Giant's Causeway, Belfast, the Mourne Mountains, and Dublin city.

We expect to cover an average of about 200 miles per day by a relaxed scenic route, stopping to see ancient monuments and natural beauty spots along the way. In the evenings we intend to visit live music venues near to our accommodation. This will be a fun and relaxing holiday, travelling around a beautiful land, meeting interesting people, and enjoying the experience of using your classic car the way it was meant to be used. In the Morris Minor's 60th anniversary year, why not take your car on an adventure to remember?

There is no fee to take part in the rally; you simply have to pay your own expenses (mainly the ferry, petrol, food, and accommodation). We have obtained discounted ferry rates on the Stena Line ferry from Holyhead. Some of us will be staying in Youth Hostels to keep costs down while others in the party will be staying in B&Bs. All you need is a Morris Minor that can manage 1500 miles or so over the course of a week (easy!).

If you are interested in taking part or just want more details call Alex on 01282 423668, email alex@alexholden.net or write to Alex Holden, 426 Rossendale Road, Burnley, Lancashire, BB11 5HN, UK.

## LEO 2008

*Land's End to Orkney via John O' Groats*  
*Sunday 3rd - Sunday 10th August 2008*

The LEO Morris Minor rally is returning for a second year, polished and improved with a more scenic route and extra places to visit along the way. All of the people who took part in the first run last year enjoyed it so much that they are doing it again, and several new participants have come forward. Starting from Land's End we will visit Lizard Point, Crich Tramway Museum, Beamish Museum, Gretna Green, Fort William, Loch Ness, Dunnet Head, and John O' Groats, then take the ferry from Scrabster to Stromness, do some sightseeing around the islands, and attend the Orkney Vintage Club Rally. The route will mostly avoid motorways. We have obtained sponsorship for the ferry crossing to reduce the cost. For further information please telephone Bill Hewlett on 01844 279456, email him at [w.hewlett@btinternet.com](mailto:w.hewlett@btinternet.com) or take part in the online discussion at <http://short.zen.co.uk/?id=a18>
